WATER'S WORTH ITtm ART SHOW

To encourage conservation and protection of Norman's water, the City of Norman's Environmental Control Advisory Board (ECAB) invited elementary students throughout Norman to submit artwork for the Water's Worth Ittm Poster Contest. Approximately 60 students from Jefferson and Madison elementary schools contributed works of art depicting student ideas about water conservation and environmental protection. All submitted posters will be on display at Loveworks, 127 W. Main, on Friday, April 10th, from 6:00 to 9:00 pm during the 2nd Friday Night Art Walk. The gallery is free and everyone is welcome to come show support and view the art work. Refreshments will be served.

For additional information, contact Debbie Smith, Environmental Services Coordinator, at (405) 292-9731 or Debra.Smith@NormanOK.gov.
